CONGRATULATIONS

Susan Wyatt!

Nurse Susan went to amazing limits to offer safe patient handling training during C19. **She created a proning video with and for ICU staff, initiated early mobility education, and led simulations to day and night shift nurses with one-on-one immersive mobility scenarios that provided hands-on equipment and mentoring.** Staff actively participated in proning our simulator manikin, ambulated each other, and trained on the use of our new beds and walkers to get patients mobile earlier in their care. **She did this all with a smile to build competence and confidence with our nurses and nurse assistants.** She gets us moving to get our patients moving!!! **Thank you Nurse Susan for all you do to ensure our Veteran's receive the best early mobility care ever!**

Jane Kim, MD, MPH

Jane Kim is the Chief Consultant for Preventive Medicine. She joined the VA National Center for Health Promotion and Disease Prevention as the Deputy Chief Consultant for Preventive Medicine in 2013, arriving from the Durham (NC) VAMC, where she had been a primary care provider since 2005 and Women's Health Medical Director. She became the Chief Consultant for Preventive Medicine in August 2016. Jane continues to be a part-time primary care provider at the Durham VAMC, as well as an Associate Professor in Duke's Department of Medicine.

Jane received her medical degree from the University of Maryland School of Medicine, MPH from UNC, and completed Internal Medicine and Preventive Medicine residencies at Duke University and UNC, respectively.

Jacqueline M. Cook, MD, MPH, FACOEM

Jacqueline M. Cook has been the Medical Advisor for the Office of Occupational Health and Safety in 2019. She has been working with the VHA Office of Occupational Health in Central Office in 2017. Dr. Cook previously served as the Chief of Occupational Health Services at the VA Connecticut Healthcare System from 2015 to 2019. Dr. Cook completed her undergraduate medical education at New York Medical College, earning her medical degree, and moved to New Haven, Connecticut after graduating from medical school for residency training. She trained at the Yale-New Haven Hospital/Yale University School of Medicine for both internal medicine residency and occupational and environmental medicine fellowship. She holds board certification in the specialties of Internal Medicine and Preventive Medicine/Occupational and Environmental Medicine, and she maintains an Assistant Professor faculty appointment at the Yale University School of Medicine.

GOOD NEWS PAGE

The CHAI Award
